Mojacar

€35,500

Urban plot in the heart of Mojácar Pueblo. The plot has an area of 125 m² and a building ratio of 100% per level with a maximum of 2 levels and therefore a possibility to build a substantial property with a total built area of 250 m²

All in all, a very good opportunity to have a property in Mojácar built from scratch.

Please note that the plot is not being sold with planning permission as it will be the responsibility of the purchaser to appoint an architect and submit their own planning application. However, any interested party will be supplied with all the legal and official information that we have on file.
